## FIRE EXTINGUISHER

The Fire Extinguisher Plugin is designed exclusively for companies who install and service fire extinguishers, hood systems and sprinkler systems. The Plugin will track all details related to each system including inspection dates, condemn dates, components, temperatures, structure type and more.

The Fire Extinguisher Plugin is only available in the Introductory version. All for only \$595.00

## FIRE EXTINGUISHER PLUGIN

- Easy to use
- Hood System
- Fire extinguishers
- Sprinkler systems
- Components
